

## Lockdown Memory Tree

Hello everyone ☺

This activity is a lovely way for us all to reunite when school can reopen fully and we can all be together again! I would like to see as many of you as possible having a go at this one!

1. Choose one of the two leaf shapes on the next page (siblings could perhaps choose a different one each) and print it out.  
If you can't print it out, then you can draw your own leaf – make sure it is roughly A5 (half a sheet of A4) in size (an adult can help you with this).
2. Inside the leaf, in your neatest handwriting, write a memorable/special moment from lockdown.  
This could be the first time you did a video call with your friends, going for a walk with your family or anything at all that has been special to you.
3. Carefully colour in the background of the leaf using colouring pencils.  
Please be careful not to colour in too hard – we need to be able to see your lovely writing nice and clearly!
4. Keep your leaf nice and safe!  
When we can all be together again in school, we will collect your leaves and display them all together to remind everybody that we got through these difficult times, apart but together!

If you would like to share pictures of your leaves with us before we are all back in school, please do! We would love to see them!

Have fun, take care and stay safe!

Miss Gillard ☺
