

## Bowes School

### My special time during the Coronavirus Lockdown.

A little task for you all to enjoy, design on A4 paper a poster of your time at home during lockdown.

Some ideas for your poster:

- You favourite thing you have done.
- Something special you have done for someone.
- Something special someone has done for you.
- People you have missed and cannot wait to give a hug.
- Something you are looking forward to.
- A poem about lock down.
- A drawing or painting of your time in lockdown.
- Something new you have learnt.

These are just a few ideas; you can make it personal to you. We will display these in school and hope to make them into a special book of your memories during this time.

If you would like to send us some pictures of your master pieces, we would love to see them. The staff will also take part in this activity.

Many Thanks

The Bowes Hutchinsons Team.
