

Forest School at Bowes

The children continue to enjoy the Forest School Sessions at Bowes and we are very lucky to have the use of an excellent site.

In the Spring, Bowes Hutchinson's will be having another whole school Forest School Day linking to their School topic of Pilgrimage, following their November Forest School Day at Hardwick Park.

During the Summer we will also be hosting another Forest School Day for a visiting School from Gateshead to encourage the development of friendships and to meet children from a different setting.

Archery

Last summer the school had a weekly offer of Archery for the children and it is hoped that this will be repeated along with possibly orienteering and geo-caching.

Coming Soon

All Stars Cricket 5—8 years old

After school Change4Life club

Upcoming Festivals;

- High Five Netball
- Multi Skills
- Football
- Cricket
- Athletics

Reminder

Children should have PE kits and trainers in school at all times. A tracksuit and spare socks are useful as PE is outside as often as possible.

Information for Parents

2018

Introduction

Here at Bowes Hutchinson's School, we have a wide range of different sporting activities that the children do throughout the year. We like to give the children the opportunity to try different sports and to develop a variety of different skills which are involved in these sporting activities.

The children marking out the Bowes Mile.

The children participate in the Bowes Mile twice a week. They challenge themselves by running around the field and trying to complete a mile (9 laps!). They are all very keen to participate in the Bowes Mile.

Sports Apprentice

We are very lucky to have a Sports Apprentice, Mr Copson plays a selection of different games at Playtimes and lunchtimes for the children to join in and stay active. He also runs Fine and Gross motor sessions with KS1 and KS2 during the week.

On Fridays, Mr Copson takes out small groups to give them some extra PE sessions to keep them even more active.

After Christmas, Mr Copson will be running a Change4Life club to give the chance for more children to keep active.

Staindrop PE Partnership

Bowes Hutchinson's has bought in to the Staindrop Academy PE partnership and a Coach comes every week.

The Coach has and will be doing a number of different sports to give the children the opportunity to try and develop their skills in different sports.

Being in the Staindrop Partnership has also given the children of Bowes the opportunity to be selected for MAT More Able & Talented at Staindrop Academy — enjoying a variety of different sports.

The Tag Rugby team.

This year the team did extremely well at the competition at Staindrop Academy on the 16th of October. They worked really well together after limited practice and scored some excellent tries! Hopefully they can continue to improve as they move further up the school.

Weekly Activities

On Tuesday's, Bowes travel to the Leisure Centre in Barnard Castle, where all the children take part in swimming and PE every year, all year.

Extra curriculum

KS2 took part in Long Sword Dancing in the Autumn term. They have a festival coming up in Spring 2018.
