Key Questions/ learning	Who are we? What do we look like? Do we look the same? What is my body? Names of simple body parts. Where do we live? Who can help me? What are senses? What makes me special - how am I unique? What am I good at? Our families How has my body changed? Names of key body parts. How do we use our senses?	What is a celebration? What do you celebrate at home? How do we celebrate birthdays? Who do you celebrate with? Do we all celebrate in the same way? Let's explore celebrations - Birthdays, Christmas, Diwali, Remembrance Day, and Bonfire Night. Which celebrations are important to me? Which celebrations are important to other people	Where do I live? What is the name of my town? What do I live in? (House, flat, bungalow etc.) What is the world? What is a map/globe? What is the blue? What is the green? What country do I live in? What is the weather like in different countries? What do people wear in hot/cold countries? What is a	Can I use pictures to help me tell a story? Can I act out a story? Can I use props to help me retell a story? What is my favourite story? What happens in Spring? Can I see signs of Spring? Which plants grow? What is new life? Which animals are born in Spring? Can I match animals to their young? How can I care for them? Can I use books to help me find out information?	What is a season? How is Spring/ Summer different to other seasons? How do plants grow? What do they need to grow? What is a minibeast? How can I find out more about them? How many minibeast can I find?	What is the beach? What are shells? What lives in rock pools? What is the sea? What is water? Where does it come from? Why and how do people travel on the sea? Why and how do people travel under the sea? What lives under the sea? What do I already know about the sea? What would I like to find out?

		in our community and other countries? How do people celebrate special events in our country and beyond - Bonfire Night, Remembrance Day, Diwali, and Christmas. Can we talk about the similarities and differences between the countries and celebrations? (e.g., hotter/colder)	town/street/city/country? Which country do I live in? Are all countries the same? Which animals live in which countries?	What is a traditional tale? What are characters? Are all characters the same? How do the characters feel in the different stories? What is a setting? Are all settings the same? What is the beginning, middle, end of a story? What were stories like many years ago? Can I retell a story? Can I make up my own story and write it? What is a life cycle? What are tadpoles? What happens in the tadpole life cycle? What happens in the butterfly life cycle?		How can I find out this information? What could I find under the sea? What could I learn about sea creatures? Are they all the same? How are they different? Who uses the sea? (Past and present (sailors, pirates etc.). How can I help look after the sea?
Visits/ Visitors and Events	- Autumn walks either in local grounds or to the park. - Children invited to bring photos in	- Walk to the Post box - post letter to Santa. - Diwali day - Harvest festival - Nativity performance - Christmas Party - Christmas Pantomime	- Journey within the local area e.g. a walk around the village to the park, church, castle etc. - Chinese New Year celebrations	- Spring walk - Easter Egg hunt	- Tractor visit to the school. - Gardening day - invite parents/helpers to grow new plants in the setting - Discussion with a local farmer	- Pirate Day - Sea shanties - Beach day in school e.g. dressing up, picnic.
Vocabulary	Myself, family, parents, same, different, special, friend, body, house, home, job, helper, senses. Unique, relations, similar, hearing, see/sight, touch, smell, taste.	Celebrate, birthday, party, birth, birthday, present, Christmas, Diwali, remembrance, bonfire, fireworks, enjoy, happy, together. Birthday, christening, tradition, anniversary, event, festival	Live, home, house, bungalow, flat, town, country, earth, world, map, globe, land, sea, weather, hot, cold, sun, rain, wind, snow, Street, city, community, travel, continent, desert, rainforest, Arctic, Antarctic, North Pole, South Pole, boiling, melting, freezing, frost, seasons	Story, book, page, cover, title, author, illustrator, letters, words, pictures, listening, first, next, last Traditional tale, structure, beginning, middle, end, character, setting, narrative, hero, villain	Spring, new life, change, hatch, nest, grow, seed, bulb, plant, leaf, flower, bug, environment Habitat, life cycle, insect, thorax, abdomen, roots, stem, petals, absorb, oxygen, hydrate	Water, rain, sea, land, beach, shell, rock pool, fish, fins, gills, seahorse, shark, octopus, boat, submarine Ocean, habitat, tide, coast, pollution, environment, recycle, pirate, lifeguard, coastguard

Enhanced Provision Ideas	• Mark-making (faces, names) • Paper plate faces - use mirrors to look at my different features • Painting self-portraits, looking closely at my features • Playdough faces • Loose part faces • Collage names • Footprints and handprints - compare sizes • Sensory exploration - textures, sounds, tasting, smells • Junk model houses • Large body collage - add labels • Draw around each other with chalk/bricks • Work based around 'My class is a family' e.g. lolly stick houses and drawings of my family and my class	• Autumn walk - collect leaves, take pictures, walk through crunchy leaves • Leaf rubbing • Make a stick man • Pumpkin exploration • Firework pictures, make the sounds • Dance like firework • Remembrance Day - make poppies, poppy printing (apples) • Party Role Play - make decorations • Decorate birthday cakes • Playdough cakes and candles • Rangoli patterns • Diwa lamps • Santa's workshop role play • Christmas activities • Diwali Party • Letters delivered to Santa • Building Santa's sleigh	• Role play pancakes/frying pans in home corner • Lemon bubbles - mixing and making bubbles - whisking, filling pouring, pipettes • Decorate house numbers • Globes - paper plates • Ice exploration - free the trapped animals • Craft - animals living in Iceland • Craft - African animals • Creating a bag for Sunny the meerkat • Chinese writing and numbers • Making a Chinese lantern • Making a boat / vehicle.	• golden eggs collage • make a castle • make a cloud • unifix measure beanstalks & giant feet • Duplo beanstalks • junk modelling pig and wolf characters • construction - using different materials to build houses • What's the time Mr. Wolf? • Construction - using different materials to build bridges • Lolly stick rafts for goats • Grow real grass • Fork painting - brown bears • Teddy Bears picnic • Make porridge • Make gingerbread men • Make bread • Exploring large objects the giant used	• Spring colouring - flowers/birds • Take photos of signs of spring • Observational drawing - Daffodils • Tissue paper sunflowers • Blossom tree painting - cotton buds • Make bird feeders • Bird watching - binoculars • Basic garden birds - names and differences • Plant seeds • Beanstalk leaves to make a giant beanstalk • Bean sorting/counting • Bug hunt • Make a bug house • Wormery • Butterfly paintings - folding printing • Measuring growth of sunflowers • Lifecycles sorting and matching	• Shell sorting (bumpy/smooth) • Make a rock pool • Balancing pebbles • Wave patterns in various media • Make boats • Floating/sinking • How many bears can you put in your boat before it sinks • Cardboard fish to decorate • Bubble wrap fish printing • Sea creature stampers • Exploring patterns and creating my own • Different textures • Kim's Game with sea creatures • Make sea creatures - jellyfish, shark, lobster etc. • Cheerio octopus • Animal sort - land or sea?
Parental Involvement	• Bowes Bear • Parents Evenings • WOW moments shared	• Bowes Bear • WOW Clouds • Christmas Concerts	• Parents Evenings • WOW moments shared • Parents reading stories in school. • Book looks for parents to see children's work.	• Eid Celebrations • Parents Evenings • Easter service • Mother's Day Service	• Seeds sent home for parents to plant with their children	• WOW moments shared • Reports discussions • Leavers Celebrations • Father's Day

Autumn 1

Autumn 2

Spring 1

Spring 2

Summer 1

Summer 2

Communication and Language: Listening Attention Understanding	Nursery: -Beginning to listen to stories and nursery rhymes. -Beginning to listen to instructions given. -Listens during adult guided activities. -Focusing on an activity of my own choice for a short period of time. -Beginning to show attention to the adults in my setting. -Recognises and points to objects that are spoken to me. -Understands 1 key word instructions e.g. stop, drink. Physical Development Gross Motor Skills	Nursery: -Walk and crawl confidently. -Climb using two feet at a time. -Knowing how to scoop and pour e.g. sand, mud.	Nursery: -Begin to climb and step up with growing confidence and less support. -kick a ball to a friend or adult	Nursery: -Children putting on their own coat (needing support to do their coat up still). -Children putting on their own shoes.	Nursery: -Children can kick a large ball with some control. -Children can throw a ball with some control. To begin to balance on one leg.	Nursery: -To use a balance bike more confidently. -To run with more confidence and skill.	Nursery: -To make up own movements with their body. -To begin to use their core muscle strength to achieve good posture when

	-To run around the setting with some control and direction. -Clapping and stamping to music. Reception: -Begin to use their core muscle strength to achieve good posture when sitting on the floor or at the table. -Begin to safely use tools and equipment.	-roll a ball using a push motion. Reception: -Begin to develop overall body; strength, balance and agility. -Experiment moving in different ways. -Running with confidence between 2 points	-Going up and down stairs with control and balance. -kicking a ball with increasing ability towards a target (Moved to Sp2 - PE was gymnastics and will be football) Reception: -Continue to develop overall body strength, balance and coordination. -Developing in ability when dancing to music. -Can crawl and move on all 4s to develop coordination and with reason	-To dance with control using different parts of their body. -To use the available equipment to create an obstacle course to navigate. Reception: -Negotiates space successfully and can adjust speed and direction. -Showing increasing control with a ball. -Jumping showing control when landing on 2 feet. Can jump and try to land on one foot. Can jump from a low height to land safely- bending knees.	-To independently use a climbing frame or similar resource. -To begin to show good posture when sitting on the carpet. Reception: -Using equipment safely with consideration to others. -Move in a range of ways confidently including running, jumping, dancing, hopping, skipping and climbing. -Skipping- coordinating skipping without a rope to move forward -Skipping with a rope and increasing speed	sitting on the floor or at the table. -To be able to climb safely. -Children choosing the right equipment to move safely. Reception: -Negotiate space and obstacles safely. -Show strength, balance and coordination when playing. -Move energetically in a range of different ways. -Balancing between 2 points, bridging a gap. - Movement around an obstacle course.
Physical Development Fine Motor Skills	Nursery: -Children using a palm grip when using mark making tools. -Children using a spoon to feed themselves correctly. -Children using spring loaded scissors to make snips into paper with adult support.	Nursery: -Children mark making by scribbling and colouring. -Children exploring a range of fine motor activities and implements. -Children using a spoon and a fork to feed themselves.	Nursery: -Beginning to use a four-finger grip to use mark making tools. -Using construction equipment correctly to build e.g. Duplo, Magnitiles. -To develop more independence when using spring loaded scissors.	Nursery: -Children making more controlled marks when drawing and mark making. -Children manipulating dough through rolling, squeezing, balling and patting.	Nursery: -Children using a two finger and a thumb grip. -I can draw and paint clearer shapes and pictures when drawing and painting. -Children showing some threading skills.	Nursery: -Children using pencils and other equipment comfortably for them. -Children beginning to make snips in paper either using one hand or two independently. -Children turning

	Reception: -Children using pencils and other equipment comfortably for them. -Children making snips in paper either using one hand or two. Dough Disco	Reception: -Children can put their coats on and are becoming more confident and skilled in using buttons and zips. -Children continuing to develop their fine motor skills. -Children beginning to learn correct letter formations and use these in their writing. Dough Disco	Reception: -Developing an effective pencil grip. -Developing skill when using tools including scissors. Dough Disco	Reception: -Children forming recognisable letters with an effective pencil grip. Dough Disco	Reception: -Confidently using scissors and small tools. -Beginning to use a tripod grip to draw and write accurately. Dough Disco	pages in a book one at a time. -Children may form some letters in their name. Reception: -Children using the tripod grip. -Using a range of small tools. -Showing accuracy when drawing. Dough Disco
Literacy Comprehension	Nursery: -Beginning to join in with familiar rhymes and stories. -Singing some parts or certain Nursery Rhymes. -Hears new vocabulary from stories, rhymes, poems and non-fiction books. -Have a favourite book and seeking it/them out to share with an adult or look at alone. Reception: -I can join in rhyme, songs and poems. -Children are encouraged to hold a	Nursery: -To understand that we should turn one page at a time in a book. -To begin to understand that print has meaning. -To talk about the pictures in a book with support. Reception: -Children being able to sequence two events from a familiar story - possibly with the use of prompts for support. -Children discussing and hearing a range	Nursery: -To enjoy singing a range of rhymes and songs. -To enjoy listening to longer stories. -To join in with some simple repeated refrains in well know stories/ rhymes. Reception: -Children having favourite books and rhymes - they may know these books from memory. -Say what they liked or disliked about a story. When listening to a story children use	Nursery: -To begin to show we read from left to right and top to bottom -To begin to name the parts of a book e.g., front cover, title, and author. Reception: -When children are playing they are adapting, roleplaying or using vocabulary from stories they've read or heard. -When reading a well-known or repeated story children will join in.	Nursery: -To enjoy listening to longer stories and remember much of what happens. -To talk about a story, turning one page at a time. -To answer simple questions about stories. -Beginning to predict what might happen in a story. Reception: -Use events in a story to suggest what might happen next -Know what non-fiction and fiction means and can talk about them	Nursery: -To engage in extended conversations about stories. -To know and say how the story might end. -To tell a longer story. -To listen to and enjoy sharing a variety of books and discuss the new vocabulary learnt. Reception: -Converses about books talking about the events, the parts they liked and dislikes and gives

	book correctly and carefully turn pages. -Children understand books have a beginning and an end. -Children listen and enjoy sharing a range of books both fiction and non-fiction. -Children know that text in English is read top to bottom and left to right. -Children can recognise pictures and writing. -Children spotting familiar words in books	of books - non-fiction and fiction. -Children being asked questions linked to the books read to them. -Children using texts and images to answer simple questions.	the images to help them read. -Children are becoming increasingly more confident with their understanding of new words in stories. -Children can use a books front cover or blurb to make a prediction.	-Gives a suggestion to the ending of a story using the front cover, blurb and beginning to support their suggestions. -Correctly sequence a story.	-Showing an increasing confidence in sequencing a story. -Use 'because' to give reason when answering 'why' questions about a text. -Rehearse and recall rhymes and stories and remembering actions to well-known rhymes.	reason as to why they feel this way. -Knows key vocabulary used in a range of books. -Continue to develop their roleplay to involve the storylines of the books read to them. -Recalls many parts of a text with accuracy.
Literacy Word Reading	Nursery: -Hear different environmental sounds around me. -Begin to recognise some environmental print such as supermarket logos. Reception: -Children can discriminate sounds (Phase 1 Phonics) such as instruments and cars. -Children are beginning to be able to orally blend and	Nursery: -Discriminate between different instrument sounds. -To sing and perform actions to a familiar nursery rhyme. -Say the rhyming word at the end of a familiar rhyme Reception: -Phonics lessons/ First sound reading books introduced and children read graphemes (letter sounds) s,a,t, p, i... -Begin to blend some simple words	Nursery: -To begin to recognise my own name with support. -Recognise rhythm in spoken words by clapping syllables. Reception: -Continue to read individual graphemes (letters sounds). -Blend simple sounds into VC or CVC words. -Children read a few common exception words	Nursery: -To identify signs and symbols in the environment and recall what they mean. -Spot or suggest rhymes. Reception: -Continue to read graphemes as well as some digraphs. -Children reading simple phrases and sentences with known graphemes / phonemes	Nursery: -To begin recognising some words that start with the same initial sound. -To begin to recognise some individual letter sounds with support Reception: -Children read some graphemes, digraphs, simple phrases and sentences with known graphemes / phonemes and a few exception words from memory.	Nursery: -To recognise my own name independently. -To begin to recognise some individual letter sounds with support. -Recognise some words with the same initial sound e.g. m for mummy and milk. -Orally blend a simple word. Reception: -Children beginning to read some tricky words from Phase 4 e.g. said, like, have, so.

	segment. (Phase 1 Phonics).	-Children read a few common exception words matched to Little Wandle	matched to Little Wandle		and a few exception words from memory.	-Children can re-read what they have written to check that it makes sense
Literacy Writing	Nursery: -Develop an interest in making vocab. -I am beginning to distinguish between marks and pictures/drawings. Reception: -Writes their name - copying it from a name card or trying to write it from memory. -Develop an awareness that writing communicates meaning. -Gives meaning to marks they make.	Nursery: -Draws marks that are not always distinguishable. -Follows large pattern templates available. Reception: -Continuing to develop a phoneme / grapheme relationship. -Now has increasing control when making marks and drawing. -Copies adult 'writing behaviour' e.g. writing on a whiteboard, writing messages. -Uses some recognisable letters and own symbols such as their name or some initial sounds.	Nursery: -Adds some marks to drawings. -Adds marks that to them symbolises their name. Reception: -Children recording letters for initial sounds and end sounds. -Children building and recording simple CVC words.	Nursery: -Beginning to give meaning to the marks I make. Reception: -Children build CVC, CVCC words using known graphemes. -Children recording these. -Use writing in their play. -Continue to build on knowledge of letter sounds in writing.	Nursery: -Understands that a written word conveys meaning. -Name writes with the first letter of their name to 'sign' their mark making. Reception: -All children being exposed to caption writing and simple sentence writing and extended to copy or create a simple caption e.g. it is a bus. -Some children moving onto caption writing if ready.	Nursery: -Gives meanings to the marks made. -Can pretend to write in a range of contexts. -Becoming more confident with name writing (writes some or all of their name) Reception: -Children writing for a range of purposes e.g. non-fiction and fiction writing. -Write short sentences sometimes using finger spaces, capital letters and full stops.
Phonics	Nursery: Phase 1 Hear environmental sounds (Aspect 1) Reception: Phase 1/2:	Nursery: Phase 1: Hear environmental sounds (Aspect 1). Hear instrumental sounds (Aspect 2) Reception: Phase 2:	Nursery: Phase 1: Hear environmental sounds (Aspect 1). Hear instrumental sounds (Aspect 2) Hear Body percussion (Aspect 3) Reception: Phase 2:	Nursery: Phase 1: Revise Aspects 6-7. Hears rhythm and rhyme (Aspect 4). Hears alliteration (Aspect 5) Reception:	Nursery: Phase 1: Revise Aspects 1-3. Hear voice sounds (Aspect 6). Oral blending and segmenting (Aspect 7) Reception:	Nursery: Phase 1/2: Revise Aspects 4 - 7. Possible introduction to Phase 2 if children are ready for the first set of sounds.

	Hear general sound discrimination, identify rhythm, rhyme, and alliteration and be able to orally blend and segment simple words.	Know grapheme phoneme correspondence. Blend with known letters for reading VC and CVC words. Orally segment for VC and CVC words First tricky words (the, to, no, go)	Consolidate learning. Recognise digraphs -ck + ff, ll, ss. Know tricky words - the, to, and, no, go, I Blend and segment known sounds for reading and spelling VC, CVC, CVCC.	Phase 2/3: Consolidate Phase 2 and 3 skills. Know trigraphs ear, air. Read tricky words they, her, all, are. Continue to apply knowledge of blending and segmenting to reading and spelling for words and captions. Write graphemes from memory and write a simple sentence using phonic knowledge.	Phase 3: Consolidate Phase 2. Begin Phase 3. Know the grapheme -phoneme correspondence for j, v, w, x, z, zz, qu. Know the consonant digraphs - sh, th, ch, ng. Know digraphs - ai, ee, oa, oo, ar, or, ur, ow, oi, ee Know trigraph igh. Know tricky words, the, to, he, she, we, me, be, was, my. Write graphemes and digraphs.	Reception: Phase 3/4: Consolidate Phase 2 and 3 skills. Beginning to learn Phase 4 Phonics if ready. Read tricky words do, when, out what, said, have, like, so. Represent each phonemes by a grapheme and blend phonemes to read CVC words and segment CVC words for spelling. Read sentences using phonic knowledge, write digraphs and trigraphs.
Mathematics Number Numerical Patterns	Nursery: -To recognise, name and match colours. -To begin to show an interest in counting aloud verbally to 5. -To be able to 'give 1' when asked. Reception: -To match and sort objects and pictures	Nursery: -To be able to verbally count to 5 with developing accuracy. -To develop an understanding of '2' e.g. giving 2 items or noticing 2 in the environment. Reception: -To find, subitise and represent the numbers 1,2,3.	Nursery: -To begin to be able to verbally count to 10 with developing accuracy. -To develop an understanding of '3' e.g. giving 3 items or noticing 3 in the environment. -To begin to compare quantities that are significantly more than and less/ fewer than visually without counting them. Reception: -To understand 0 -To find, subitise and represent 0 - 5.	Nursery: -To accurately count to 10. -To develop an understanding of '5' e.g. giving 5 items or noticing 5 in the environment. -To play simple dice and track games developing Subitising skills. Reception: -Explore length, height and time -Compare length and height	Nursery: -To verbally count to 10 with developing accuracy. -To develop an understanding of '4' e.g. giving 4 items or noticing 4 in the environment. -To compare quantities that are significantly more and less visually without counting them. Reception: -Build numbers to 20	Nursery: -To begin to understand that 5 can be shown in different ways. -To begin to subitise to 5. To count to 10 and beyond. Reception: -Explore sharing -Explore grouping -Odds and evens

Reception - following WRMH	-To understand and make pairs -To understand rules and to sort objects following rules -To compare amounts -To compare size, mass, capacity -To explore and create patterns	-To know 1 more -To know 1 less -To understand the composition of 1,2,3. -To identify, name and compare circles and triangles -To find shapes in the environment -To find, subitise and represent 4 and 5. -To explore the composition of 1-5.	- 1 more -1 less - Subitising to 5. - Compare and explore mass, capacity, balance. -Find and represent 6,7,8 - Look at the composition of 6,7,8 -Make pairs -Doubles -Combining 2 groups.	-Order and sequence time (This up in Sp 1) -Find 9 and 10 - Represent 9 and 10 -1 more -1 less - Subitising -Bonds to 10 -Doubles -Odd and even -Recognise and name 3D shapes -Find shapes - Copy, continue and find patterns	-Verbally count to 20 -Continue number patterns to 20 -Add more -Take away -Select, rotate and manipulate shapes	-Doubles -Patterns -Build scenes and constructions -Visualise from different positions -Describe position -Give instructions -Explore mapping
Expressive Arts and Design Creating with Materials Being Imaginative and Expressive	Nursery: -Recognises colours and chooses them for a purpose. -Uses thick paint brushes. -Uses playdough to roll, cut, ball, sausage. -Builds towers with large construction equipment. -Children dancing to music. -Children exploring moving to music in different ways -Children showing an interest in the small world and roleplay areas, children roleplaying their first-hand experiences.	Nursery: -Uses a glue stick to join materials together. -Creates an independent craft using available materials e.g. An independent Christmas Card. -Children developing storylines in their play, children using familiar props in their play -Children singing to familiar songs and nursery rhymes they have learnt or are learning. Reception: -Sing a range of well-known nursery rhymes and songs	Nursery: -Becoming more confident when drawing e.g. potato people. -Names what they have drawn and draws from memory -Adding more to their pictures and creations e.g. pom-poms, glitter. -Children including their experiences in their roleplay, children talking about music (favourite songs or songs they do not like) -Children knowing and singing along to more nursery rhymes -Children listening to songs from different cultures. Reception: -Start to create my own storylines that include peers -Listen to and explore songs and dances from around the world	Nursery: -Using spring loaded scissors to snip, using printing materials in the paint such as sponges and shapes -Continues to develop their drawing skill. -Children exploring a range of musical instruments and learning to hold a beat -Children using vocals and instruments to make music either together or separately -Children linking real life and stories into the small world -Children using props in their play. Reception: -Design with a purpose in mind and explain the process I have used -Make 3D models, ensuring that they have the	Nursery: -Building using smaller construction kits correctly, uses a range of painting and printing materials to explore form and function. -Children experimenting and mixing colours together with confidence and accuracy -Children may create with a friend. -Children joining in with the actions to songs -Children engaging in roleplay in and out of the home-corner and becoming	Nursery: -Children cutting with more confidence, children independently creating and making using the ideas they have seen and come up with -Children building for a purpose using a range of construction equipment. -Children using a range of 'sticking' tools to join their artwork e.g. sellotape, masking tape, PVA glue, and glue stick. -Children making up stories verbally while playing

	Reception: -Safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function -Follow drawings and curved and straight lines to create line drawings of different buildings -Detailed self-portraits using a choice of materials -Know a range of songs related to myself and my community -Sing in a group or on my own, following the melody and increasingly matching the pitch -Copy-clap the rhythm of names-- -Explore high sounds and low sounds using voices -Begin to move in response to music -Begin to use observation skills to draw things with increasing details	-Explore colour mixing using primary colours -Explore warm and cool colours looking at Autumn and Winter -Print or collage to create a pattern or image -Select colours appropriately for tasks -Learn about arts and crafts from different countries or linking to different festivals. -Listen to and explore the beats of different music from around the world -Know that different music is played for different celebrations -Learn to play percussion instruments and listen to the sounds they make -Know that sounds can be changed by altering the way they are made -Move to musical stimuli and keep in time to the music.	-Join in simple songs remembering some of the words -Participate in action songs which call for movement -Move to musical stimuli in a variety of ways, e.g., hopping, marching, skipping and jumping -Explore and engage in music making and have a simple understanding of beat -Share creative ideas with peers and begin to work together, sharing skills -Continue to draw and paint pictures with increasing complexity -Construct with a purpose in mind, using a variety of resources -Safely construct and discuss my designs -I can choose tools and materials to make something and talk about how I made it. -Make observations and draw pictures of things I see. -Return to and build on their previous learning, refining ideas and developing the ability to represent them -Explore art from around the world	different features -Draw an object from careful observation talking about the features that I have included -Make props to use in role play and small world play -Know a repertoire of songs nursery, seasonal, and multi-cultural -Imitate and create movement in response to music -Tap out simple repeated rhythms and make some up showing interest in the way musical instruments sound -Explore high pitch and low pitch in the context of songs -Create collaboratively sharing ideas, resources and skills -Use tools and techniques with increased care and precision -Mix a range of colours needed for a purpose -Explore using a programming toy to make things happen	more immersed in their play. Reception: -Create collaboratively sharing ideas, resources and skills -I can play music quietly or loudly, fast or slow, when I feel like it -Know how to use a wide variety of instruments -Begin to understand emotion through music and can describe music in simple terms -Draw with details -I can try new ideas when I make something and talk about what I have done -Independently use tools and techniques with increased care and precision -Experiment with colour, design, texture, form and function	-Children acting out stories with the small world or in their play -Children performing songs either vocally or with an instrument, Reception: ELG: Creating with Materials I can..... -safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function -share my creations, explaining the process I have used -make use of props and materials when role playing characters in narratives and stories ELG: Being Imaginative and Expressive I can..... -invent, adapt and recount narratives and stories using a range of well-known nursery rhymes and songs -perform songs, rhymes, poems and
--	---	---	---	--	---	--

						stories with others and, when appropriate try to move in time with music
Understanding the World Past and Present	Nursery: -Children using words 'now' and 'next'. -Children talking about their family, who they live with and any pets. Reception: -Begin to talk about my life story and how I have changed how I have grown -Look at similarities and differences between the natural world around me in the past and present	Nursery: -Children talking about their past life experiences e.g. birthdays, Christmas. -Children using the words 'then' 'now' 'next' 'before'. Reception: -Talk about past experiences -Talk about special past times -Begin to look closely at pictures and notice similarities and differences between now and the past -I can look at pictures and talk about people and things from the past -I can learn about special days and talk about what happens: Bonfire night, Poppy Day	Nursery: -Children understanding the terms 'old' and 'new' and recognising old and new objects e.g. cars, shops, photos Reception: -Use vocabulary such as in the past, a long time ago -Comment on images of familiar situations in the past -I can talk about characters in stories and say what I like or notice about them. -Talk about how things were different in the past compared to now -Comment on images showing the past	Nursery: -Children commenting on their own past experiences e.g. Easter. -Children showing curiosity about objects from the past. Reception: -Talk confidently about my personal experiences using language of past and present -Talk about members of my immediate family and community	Nursery: -Children confidently talking about who they are and who they live with, - I can look at pictures of me and my family when they were younger and say what I notice. Reception: -Understand the past through settings, characters and events encountered in books read in class and storytelling make comparisons of settings and fictional settings	Nursery: -Children beginning to understand how to sequence two events. -Children sequencing family members e.g. baby, mum, grandma Reception: ELG: Past and Present: I can..... -talk about the lives of the people around me and their roles in society -know some similarities and differences between things in the past and now, drawing on my experiences and what has been read in class - understand the past through settings, characters and events encountered in books read in class and through storytelling
Understanding the World People, Culture and Communities	Nursery: -Children talking about their families. -Children talking about who is special to them and why.	Nursery: -Children talking about how we look after our friends and families.	Nursery: -Children recognising familiar signs, shops in the local environment.	Nursery: -Children speaking positively about differences between people and ways of	Nursery: -Children developing an idea of 'belonging'. -Children beginning to understand what the	Nursery: -Children using the correct vocabulary to name different features of their community.

	-Children naming their family members. Reception: -Talk about members of my immediate family and community -Name and describe people who are familiar to me -Recognise the differences between myself and my friends (appearance, likes/ dislikes, families) -Know what groups I belong to -Understand how we show people they are welcome	-Children talking about their homes and what they have inside their homes. -Children talking about the celebration of Christmas. Reception: -Talk about the features of different celebrations for different faiths -Know why different people celebrate different things -Know about different religious celebrations -Explore advent and Christmas around the world -To know what happens at Christmas, and why	-I can talk about the transport used in my community. -I can talk about the similarities and differences between celebrations Reception: -Recognise some similarities and differences between life in this country and life in other countries -Learn about different cultures in other places in the world -Find out how the lives of people in different countries are the same and different to mine -Understand the similarities and differences between different people's special stories	life. Reception: -Know that people celebrate special events in different ways -Know that some places are special to people in my community - I can talk about celebrations in my family or community (Easter) -Understand how to care for nature - Talk about how animals live in families or groups	'wider world' is and how we all play a part and get along with one another. -Children showing an interest in people with a range of occupations. Reception: -Know that some places are special to people in my community -Understand how to care for nature - Understand how to take care of animals	-Children know there are other countries and that they look different to ours. Reception: ELG: people, culture and communities: I can..... Describe my immediate environment using knowledge from observations, discussions, stories, non-fiction texts and maps Know some similarities and differences between different religious and cultural communities in this country, drawing on my experiences and what has been read in class Explain some similarities and differences between life in this country and life in other countries, drawing on knowledge from stories, nonfiction texts and when appropriate, maps
Understanding the World The Natural World	Nursery: -Children showing respect and care for their environment. -Children talking about their home environment and school environment. -Children exploring their world and	Nursery: -Children exploring the changing weather and seasons -Children continuing to explore using their senses. -Children naming parts of the body.	Nursery: -Children understanding how and why we respect and care for animals. -Children exploring a range of materials and natural objects.	Nursery: -Children exploring the changing weather and seasons (Spring). -Children learning about new life and plants based around Spring time	Nursery: -Children growing plants from seeds and caring for them -Children exploring how these plants grow and change over time.	Nursery: -Children exploring the changing weather and seasons (Summer). -Children noticing changes such as ice melting in the sun and offering a reason why.

	environment through their senses. Reception: -Explore the natural world and describe what I see, hear and feel when outside -Understand the effects of the changing seasons around me - autumn -Talk about harvest	-Children showing more of an interest in the world. Reception: -To be able to draw information from a simple map -Begin to describe what I see, smell and feel in the natural world	Reception: -Know the name of my school and village -I can identify cold places -I can observe melting and freezing and discuss what I notice -Make observations of the animals that live in very hot or cold places and talk about what makes them special -Observe differences in weather from autumn to winter -I can talk about hot and cold places in relation to where I live -I can notice things that are the same and different in hot and cold places -Talk about my local habitat and notice basic differences with contrasting environments	Reception: -Talk about signs of spring / changes from winter to spring - spring walk. -Understand the effect of changing seasons on the natural world around me -Explore the natural world around me, making observations and drawing pictures of animals and plants	Reception: -Understand why some people say the world is special -Talk about what I think is special about the world -Explore non-contact forces (gravity and magnetism)	Reception: ELG: The Natural World: I can..... -Explore the natural world around me, making observations and drawing pictures of animals and plants -Know some similarities and differences between the natural world around me and contrasting environments, drawing on my experiences and what has been read in class -Understand some important processes and changes in the natural world around me, including the seasons and changing states of matter
